# Small Business Legal Plan

## Small Business Legal Plan

The rising costs of health insurance and the overall running a business has made it very difficult for business owners to make ends meet. Legal Club helps alleviate some of that financial pressure by providing business owners with access to a nationwide network of pre-qualified attorneys that will provide them with free and discounted legal care.

When you become a Legal Club member you will have access to plan attorneys that will provide you with the following services:

### FREE ATTORNEY PROVIDED SERVICES:

- ◆ Initial phone consultations during business hours for each new legal matter.
- ◆ Attorney will review as many as 5 independent documents each quarter. These include business documents, contracts, signed or unsigned, up to 10 pages each.
- ◆ Initial calls made on behalf of your business, if deemed appropriate by your plan attorney (two per month). Follow up calls are made at the deeply discounted rate of \$125 per hour or a 40% discount off their usual and customary hourly rate, whichever is greater.
- ◆ Initial letters written on behalf of your business, if deemed appropriate by your plan attorney. Three per month for new subjects; follow up letters are written at the hourly rate of \$125 per hour or a 40% discount off their usual and customary hourly rate, whichever is greater.
- ◆ Initial collection letters are limited to 10 per quarter. More than 10, and any follow up letters are written at the discounted hourly rate or at the contingency fee percentage, depending upon what you and your plan attorney decide.
- ◆ One on one consultations for each new legal matter. Thirty minute time limit per subject matter. Time over the 30 minutes per subject will be at the hourly rate of \$125 per hour or a 40% discount off their usual and customary hourly rate, whichever is greater.
- ◆ Registered Agent for your business in the state in which you are incorporated as well as other states where you do business.

In many states, attorney liability may require plan attorneys to obtain a retainer from the member prior to providing some of the free member benefits.

### ADDITIONAL MEMBER BENEFITS

**Guaranteed Low Hourly Rates** - Whether in court or out of court, plan attorneys have contracted to charge no more than \$125.00 per hour, or 40% off their usual and customary hourly rate, whichever is greater, for legal care that goes beyond the free and discounted services. In most cases, the attorneys will be able to estimate the amount of hours any given case may consume prior to beginning work on the case.

**Retainers** - Any retainer sought will be computed by multiplying the number of hours a plan attorney believes a case will take, by the appropriate discounted hourly plan rate. For instance; 10 hours x \$125.00 = a retainer of \$1,250.00. **Any unused portion of the retainer will be returned to the member.**

**Contingency Fee Discounts** - Attorneys often work on a contingency fee basis on such cases as personal injury and collections. This fee is usually expressed as a percentage of the amount collected or awarded. In collection matters, your attorney will accept 18% if the case is settled before formal court proceedings begin. After proceedings begin, the fee is 27%. On all other contingency matters there is a 10% discount on the lower of either the state maximum or the attorney's standard rate.
